ergonomic healthcare seating

gregory

ergonomic healthcare range

Gregory ergonomic healthcare chairs are the perfect solution for your clinical, medical and nursing needs.

Featuring our renowned ergonomic seat technology with antimicrobial properties, vinyl seat upholstery, under seat pan and no surface seams, these chairs provide the ultimate solution for all your ergonomic healthcare requirements whilst maximising infection control.

The Gregory healthcare range also features healthcare specific castors available (with optional braking capabilities), perfect for use on vinyl flooring and a 3 lever independent seat and back tilt mechanism for maximum adjustability.
