Introduction

The benefits of keeping active at work are now undisputed, and standing desks are proving to be invaluable workplace tools to help injury rehabilitation, general wellbeing and productivity.

Whether your need is for a return to work situation, a temporary employee or even to try a standing desk before you buy, Ergolink has the options.

Hiring a height adjustable desk or a sit to stand unit is now possible. Ergolink are offering a range of options to suit every need and budget.

Please note that to get the most out of a standing desk, standing at work should be mixed with correctly sitting in a good chair and the correct ergonomic positioning of your workspace.

Remember, there is now no reason why you can't feel great at work!

Options & Specifications

Height Adjustable Desks

The Accord Straight

Description

Imported exclusively by Ergolink the Accord has an incredibly quiet operation via its high quality actuators. The Accord has a clever controller which includes standard up and down operation, 4 height memory and a digital display of the current desk height. The Accord is highly recommended in office and industrial applications.

Specifications

- Height Range without top: 600mm to 1250 mm
 - Lift speed 3cm per second
 - Size available for hire 1500mm x 700mm only
 - Capacity 165kg (Inc. top)
-

Sit Stand Desk Top Units

The Ovation - Small

Description

A smaller sit stand unit that is ideal for the domestic and home office user. Perfect for use with one monitor, the Ovation Small has a straight up and down (vertical) movement and is perfect for those with lower back issues. The work surface has a channel at the front to hold a tablet or phone.

Specifications

- Work surface Dimensions: 680 mm wide x 590 mm deep
- Footprint: 580 mm wide x 560 mm deep
- Weight Capacity: 15 kg
- 15 height adjustment options
- Vertical Travel: 150 mm to 500 mm
- Max height Keyboard: 380 mm

The Ovation - Medium

Description

The Ovation is ideal for both the domestic and office user. With a straight up and down (vertical) movement it is perfect for those with lower back issues, and the spacious work surface easily handles double monitor set ups. The work surface has a channel at the front to hold a tablet or phone.

Specifications

- Work surface Dimensions: 890 mm wide x 590 mm deep
 - Footprint: 790 mm wide x 560 mm deep
 - Weight Capacity: 18 kg
 - 15 height adjustment options
 - Vertical Travel: 150 mm to 500 mm
 - Max height Keyboard: 380 mm
-

Elevate DT2

Description

At 104 cm across and 66 cm deep, the Elevate DT2 offers a spacious workstation capable of accommodating a second monitor. Engineered with ergonomics in mind, the keyboard tray is lower than a traditional standing surface, improving posture and comfort. The keyboard tray is also retractable, sliding out of the way when not in use.

Specifications

- Vertical travel 360 m
 - Spring-assisted height adjustments accommodate 96 percent of the population
 - Work surface: 1040 mm wide x 560 mm deep
 - Keyboard tray width: 630 mm
 - Weight Capacity 18.6 kg
-

WorkFit-TL

Description

The best of the best of the sit to stand desktop units. The WorkFit-TL saves space because it moves straight up and down, always staying within the footprint of your desktop (unlike other options which move forward or back as it moves up). The platform is extremely stable throughout its range of motion—one can freely lean on it while working without worry of tip or height-drop.

Specifications

- Size: 950 mm wide x 640 mm deep
 - Keyboard Tray: 690 mm x 280 mm
 - Maximum height to top: 500 mm (plus the height of your desk)
 - Maximum height to keyboard: 380 mm (plus the height of your desk)
-

Varidesk 36

Description

The 36 is the mid-range Varidesk model and can accommodate most dual-monitor setups or larger workspace needs. The vertical motion is up and toward the user. The design gives you plenty of room for basics and accessories.

Specifications

- Capacity: 15.8 kg
 - Foot Print: 914 mm x 762 mm
-

Payment

In advance for:

- Deposit
- 2-week hire or,
- 1st month hire

For longer hire periods, Ergolink shall invoice monthly in advance at the end of preceding month for next month's hire.

Hire Conditions – Desks & Sit Stand Units

Hire Periods

The hire duration for each unit can be:

- 2-weeks only: or,
- Monthly (Number of months to be determined by client).

Please note the finish of the hire is 5.00pm of the last business day stated in the hire agreement. Failure to return the item to Ergolink by this time will automatically result in the charging of an extra 2 weeks hire.

Ownership

The goods remain the property of Ergolink at all times until purchase of the item under Ergolink conditions is made. Failure to pay for the hire, Ergolink reserves the right to reclaim the item from the Customer's premises during business hours. Failure of payment or arrangement of collection of the item Ergolink may make a claim through the Public and Personal Securities Act (PPSA) on the business or the individual, and or through legal channels.

Damage

If damaged on hire, Ergolink reserves the right to charge out the full retail price of the item to the customer, of which the Customer would then own the item; or Ergolink reserves the right to retain the deposit, whichever Ergolink deems is most applicable.

Buying Option

If buying at end of hire 50% of hire price off (up to 3 months max.)

In regards to height adjustable desks, customers can purchase the legs and electrics and arrange to purchase new top if requested.

Discount to be applied if purchasing new unit.

Set up of Equipment

It is the responsibility of the hirer to set the unit into the correct position on a flat, stable, clear surface and including the correct installation of computer equipment onto and surrounding the product.

Height Adjustable Desks

Size

- 1500 x 700mm only

Colours

- Beech or White - Dependent on availability at time of hire

Sit Stand Units

The range of sit stand units available is limited to and dependent upon availability at time of hire.

Indemnity

The user agrees to indemnify Ergolink from any injury, loss or damage to equipment, people or data, occurring via the direct or indirect use of the product, including the installation or removal of the product (and including while at the clients' premises).
